

FOR IMMEDIATE RELEASE

**OHANA FUELS, A TOP-TIER BRAND OF HAWAII PETROLEUM INC., HAS DONATED \$6521.69 TO
MAUI AIDS FOUNDATION**

Wailuku, HI (August 10, 2021)

Ohana Fuels selected Maui AIDS Foundation (MAF) as the second-quarter beneficiary for its “Fuel Up. Do Good.” program, donating \$6,521.69 to aid in its efforts to continue to keep the Maui Community healthy and cared for.

From April 1 to June 30, 2021, a portion of the proceeds from every gallon of gasoline purchased at Ohana Fuels locations on Maui was donated to Maui AIDS Foundation.

Ohana Fuels’ generous donation will help MAF to provide free, vital health services to our Maui County community. Free clinical testing, a food pantry, housing assistance, prevention education, youth and family support groups, linkage to medical and dental care, medications, insurance enrollment, and drug prevention programs will be supported through this donation. The generosity and compassion shown for the communities that Ohana Fuels serves is truly one of a kind. Ohana Fuels has a mission of partnering with Maui and Hawai’i Island organizations to serve those in need, and MAF is honored to participate in providing the long-term impact that this program supports.

As a part of the “Fuel Up. Do Good.” program, MAF and Ohana Fuels hosted two car washes that received a strong show of support from the Maui community. These events were a large part of the donation to MAF programs. Mahalo to all community members who came out to support MAF!

The need for services has increased with the added stresses of the pandemic over the past several months. The donation from Ohana Fuels will play an integral role in making services accessible at no cost and will allow at-risk community members to feel the compassion and support they need. MAF extends great gratitude to Ohana Fuels for this support and the profound impact this donation will have on our local community.

Maui AIDS Foundation is a 501(c)(3) nonprofit established on Maui in 1986. Please visit mauiaids.org to learn more about how MAF serves the Maui County community.
